***RULES:***

1. Adults must stay with children under 12 for the duration of the day – the kids, however, need to do the actual fishing.
2. Masks are required when six feet social distancing cannot be maintained.
3. Each child entering the derby may catch and keep 3 fish only.
4. No one older than 15 allowed to fish during the derby.
5. No more than one rod per child.
6. No boats, canoes, waders, etc. will be allowed in the water; fishing is from the shore and along the road only. No one will be allowed on the other side of the pond.
7. Fish **MUST** be checked in as soon as they are caught.
8. Adults may help with the casting and the netting of the fish.
9. Fish may be caught with flies, worms, and artificial lures or salmon eggs.
10. Fish must be caught by legal means only. No snagging, culling, or netting the fish.
11. Please do not leave trash or fish remains on or around the water.
12. Please release the fish immediately after checking them in if you do not plan to eat them.
