Event Guidelines

- If you are not feeling well, have a fever or show any cold-like or respiratory symptoms, or have recently traveled outside of New England please stay home. Keep our community, friends, and family safe!
- Participants need to bring their own basket or bag to receive goodies in.
- All participants must wear clean face masks for the duration of the event.
- Bring along some alcohol-based hand sanitizer to use during the event.
- You must social distance 6 ft away from other vehicles and station supervisors during the event. The station supervisors have thought of fun ways to get the candy/eggs/surprises to you while maintaining social distancing. We will see what ideas they come up with!
