A note from the Director...

Dear PRD Family,

May 1, 2018

Well, I'm not sure what happened to spring, but summer weather is FINALLY here! Wow, it's really been one of the worst springs, weather-wise, in recent memory, hasn't it? Despite the weather, however, we hosted 150 girls plus all their families for Opening Day of the Monadnock Youth Softball League last weekend – right on schedule – and it was a great day! We're very fortunate to have the Peterborough Community Center available to us so our spring sports could begin the season practicing indoors. Our youth lacrosse teams have already played opponents who had only had one practice because they had no access to indoor facilities. We've been practicing for a month! We were smart this year and specifically requested not to host any home games for the first two weeks of the season in April as we knew our fields would not be ready. The weather still wasn't cooperating into the third week of the season, however, so we rented the artificial turf Sodexo Field down at Franklin Pierce University which enabled us to host our home games that week. The 92 kids we have playing in our Peterborough Youth Lacrosse program are doing very well and everyone's having a great time! We'll be playing "catch-up" on the maintenance side of things for a little while, but we'll have everything up and running for you to enjoy all summer!

The economy seems to be doing well and the unemployment rate is quite low and that usually translates into a higher staff turnover rate for us so you're going to see a lot of new faces this year! We have at least fourteen new staff members starting this month. Cam Buffum, Max Richard, and Liam Smith have joined our maintenance crew. Jennifer Ambrosini, Nikki Bell, Maddy Garland, Marina McMahon, Hannah Payne, and Aidan Phillips will be guarding the water for us this summer. You'll see Ben Henry and Mather Kipka in the Bath House or at the Cunningham Pond gate. Julia Kneeland will lead our Playground Program this year with Riana Bosk moving over to Summer Teen Challenge and Maddy Perry will be joining her. We still have 22 returning staff as well so there will be plenty of familiar faces at our facilities.

We have several projects that we hope to undertake this spring/summer/fall. Some of the seams in Adams Pool need to be repaired so we'll be doing that sometime in May. After the new budget takes effect July 1st, we'll be adding a new truckload of manufactured wood fiber to the playground. We'll also put a new roof on the PRD office building and we'll have the pool painted in August or September. Additionally, we're hoping to be able to sand, repaint, and refinish the floor in the Community Center giving us the ability to offer basketball games in the building, which will be a huge addition! Sometime this summer we plan to add Human Foosball to our outdoor games collection of Ga-Ga, Bocce, and Cornhole! We'll be making two new equipment purchases as well. Our utility vehicle will be replaced and after 14 years of service, the first piece of equipment I purchased as the Director here in town. The infield groomer will be replaced also.

I'll be camping this weekend with Scout Troop 8 at the NHX Jamboree at the NH Motor Speedway in Loudon with 5,000 other Scouts! Should be an awesome event! Locally, we have about 75 boys and girls involved in our Scouting programs which you'll find on page 13.

As always, I encourage you to read through this brochure. We have lots of different programs for lots of different interests in lots of different age groups. We know some people tend to "pigeon-hole" us as having a narrow focus, but after reading this brochure, you'll see that is NOT the case! We try to offer a little something for everyone! I hope you'll find something for YOU!

See you on the Playground,

Jeffrey M. King
Recreation Director

Want your child to enjoy the summer outside? Come and romp with other friends in the playground program here at the PRD!! The Playground Program offers girls and boys (entering 1st through 6th grade) a wide variety of enjoyable and challenging summer opportunities, and includes optional weekly field trips.

Between the pond, pool and the splash pad, there are plenty of opportunities to keep the kids cool during the hot summer months. The program runs for 8 weeks, Monday through Friday, 8:30am to 4:30pm. This program starts on 6/25 and ends on 8/17. One may register for the whole program or individual weeks. Go to www.peterboroughrec.com.

We are excited to tell you that there will be many new additions to this program!! You will see some changes on this page and there will be more information about other changes to come!!

Throughout the summer, the PRD has other programs going on, ie: a baseball clinic sponsored by the Swamp Bats, a soccer clinic by GPS as well as swimming lessons. If you register your child for any of these programs on the property, we will make sure your child gets to and from the programs safely. These programs are at an additional cost. Tennis, however, is going to be incorporated into the Playground Program so your child will learn the game/play at no additional fee!

Many staff members have returned. Riana moved up to Summer Teen Challenge creating the opportunity for Julia Kneeland to join the team as the Playground Supervisor. She brings with her 5 years of experience with Barrington Recreation in a very similar position.

All registrants will be receiving a parent handbook in early June which will include general information as well as field trip guidelines and release forms. We will also have a **program open-house** before the program begins - save the date!

Summer Teen Challenge

Summer Teen Challenge

Organized by: *The PRD*

Spread the word! Talk it up amongst your child(ren) and their friends! Past participants have said that this program is a blast!!

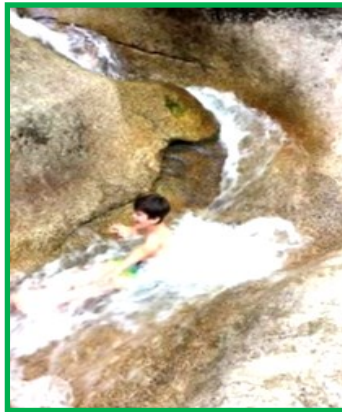

The Summer Teen Challenge's (STC) philosophy is to challenge kids to think and act on issues that they will be confronted with as teenagers. The program activities help build self-esteem and encourage kids to work as a team. The program goes camping overnight a couple of times and wraps up the four week program with a big trip!

The program was developed to enhance communication skills and positive interactions among peers. Through activities and field trips, kids learn the value in trusting others while encouraging reliability, responsibility and resourcefulness. Part of this program is also dedicated to trying to guide the teens away from anti-social and risky behavior by building self-confidence and the ability to stand up for themselves in questionable situations.

Each session is comprised of four weeks. Each week includes a "community service day," an "adventure day," a "good choices day," and some "fun" days.

Register for this program now - as space is limited. The fee for STC includes a season's pool pass for your child.

NEW for 2018: In previous years, we have asked that participants attend all 4 weeks. This is not going to be the case this year (even though it is highly recommended). It is mandatory that in order for your child to attend the fun or adventurous parts of the program, they must fulfill that week's community service and good choices aspects of the program.

The STC will have an Open House for participants/parents to meet the staff, go over the program as well as take care of some paperwork **on Tuesday, June 19th, 6:30 to 8pm in the PCC.**

Who: Incoming 7th to 9th graders for the 2018/19 school year

Where: PCC

Session 2: July 24 through August 17 (4 weeks -excluding that first Monday).

Cost: \$416/resident of Peterborough
\$591/non-resident

The price shown above includes the cost of the required pool membership with the program. If registering on our website, sign up first for the program and then you will be prompted to sign up for a pool membership. At this point, you may opt for the family membership or the individual season's membership. Prices on peterboroughrec.com are broken down separately.

Note: Outstanding balances must be paid before registering for any new programs. The program fee must be paid in full at least two weeks prior to its start. If unable to be paid in full by that time, a payment contract must be established with the PRD before the first day of the program in order for your child(ren) to attend.

Most of our players are over 50 years old, but younger folks are welcome. Come check it out—we play year 'round and have pickleball equipment one can borrow!!

Scouting

Cub Scout Pack 8

Cubmaster: Tim Theberge, Eagle Scout
timtheberge@gmail.com

Cell: 978-869-8356

Find us on Facebook at: Cub Scout Pack 8 – Peterborough, NH

Who: Boys **AND** GIRLS in grades K – 5

When: Join anytime, meetings on Mondays

Where: Den & Pack Meetings in the Upper Hall of the Town House

Cost: \$85 per year (includes *Boy's Life* magazine), plus activity fees and uniform purchase

Since 1930, Cub Scouting has offered fun with a purpose to millions of American boys. Thanks to many volunteers, these boys develop values, learn skills, make friends, strengthen family relationships - and have a great time in the process! Here in Peterborough, Pack 8 was first chartered in March 1941 and we're happy the tradition continues today. That tradition, however, is about to change in a BIG WAY!

By now, everyone has heard the announcement by the BSA that **girls** will be allowed to join Cub Scout Packs. Our local Pack has been participating in a pilot program with the Daniel Webster Council to introduce girls into Cub Scouting, but starting June 1st, it's official nationwide - girls may sign up for Cub Scouts!

Also new this fall (when school begins), kids entering Kindergarten and their adult partners will be able to sign-up for the Lion Den! This is a new program, specifically designed for those entering Kindergarten, that will be part of the Pack. What great opportunities for more kids to participate in Cub Scouting!

The Pack will participate in the Chuckwagon Derby, the Fishing Derby, and the Memorial Day parade in May, a campout at Cunningham Pond in June, and will attend the Mt Monadnock District's Cub Scout Day Camp this summer! Throughout the year the Pack does lots of fun activities including the famous Pinewood Derby in February! No one is turned away due to an inability to pay. If finances are an issue, please speak with Recreation Director, Jeff King.

Scout Troop 8

Toby Gray, Scoutmaster

troop8scoutmaster@gmail.com

Scouting is a fantastic opportunity for boys to get outdoors, go on adventures, learn classic scout skills like fire building, shelter building, first aid, pioneering, cooking, and more, all while building and strengthening their character. In addition to weekly meetings, Troop 8 strives to have at least one outing a month such as a canoe trip, a hike, a bike ride, rock climbing, swimming, or camping. Scouts are expected to participate in various fundraisers throughout the year to help cover the costs of some of our adventures. If you are a boy in grades 5-12, come visit Troop 8 on a Thursday night, between 6:45 and 8:15 in the upper hall of the Peterborough Town Hall, we would love to expose you to the wide, adventure-filled world of scouting!

After school ends for the year, we gather on Thursday evenings for outdoor adventures throughout the summer. Email the above address for more information.
